**The function of the welfare scheme shall be to assist those who suffer financial hardship due to an accident whilst playing or involved in a properly sanctioned game of football.**

### GUIDANCE NOTES

1. The scheme will be called 'The Vale of Clwyd & Conwy League Welfare scheme'
2. The treasurer of the League shall keep all records of this account.
3. Membership of the welfare scheme shall be open to any member of a club affiliated to the V of C&C and Clwyd East Leagues on payment of an annual subscription fee. Clubs directly affiliated to the FAW who participate in the N.W. Reserve Premier League may also become members of the scheme. Membership subscriptions must be paid through a club and cannot be paid on an individual basis.
4. The N.W. Reserve Premier League will, on request, provide a claim form, on which a claim may be made. It is expected that a medical certificate will be submitted with any claim. The executive committee of the league will update the claim form as and when necessary.
5. All claims are to be made via the league general secretary and thus forwarded to the league's welfare officer.
6. Membership of the scheme will commence on receipt on the appropriate membership subscription. This should be submitted before the end of September in any playing season and will continue until the last day of that season, and shall include any correctly granted extension to the season plus any properly sanctioned friendly matches.
7. The executive committee of the league shall decide the membership subscription annually and the subscription fee will be communicated to all club secretaries. The current membership fee shall be 50p per person and clubs will be expected to pay this as part of a player's registration fee with the exception of those players whose clubs are directly affiliated to the FAW whereby membership fees will be paid by at £20 per club.
8. The league's executive committee will appoint a welfare officer every season to investigate and oversee all claims.
9. A sub-committee consisting of the league Chairman, General Secretary and a nominated Officer will deliberate on all claims submitted and duly decide as to the amount of grant to be paid out by the welfare fund. Payment will be made if there are sufficient funds available and will be a one off payment.
10. The decision of the committee will be final and no member may appeal the amount of grant to any other body or court of law.
11. If a false claim is made then legal action will be taken against any person involved in the claim and the whole of any costs of any such action will be borne by the person (s) making such false claim.
12. The N.W. Reserve Premier League executive committee shall have the power to alter these guidance notes as and when appropriate.

14.6.6 Should any club wish to register a player where International Clearance is necessary, and then the club concerned must obtain that International Clearance before the registration is offered to the League for processing. All clubs must familiarise themselves with the FAW regulations regarding International Clearance. A copy of the International Transfer Certificate must be forwarded with the Registration form to the Hon Registration Secretary of the League once it has been received from the Football Association of Wales.

14.7 In the event of a player signing registration forms for more than one club in the League, priority of registration shall be the deciding factor. The Club submitting the latter form will be notified of the fact and the Executive Committee shall investigate the matter. Any player found to have wilfully signed registration forms for more than one club in the League or if a club is found to have knowingly induced a registered player of another club to sign a registration form will be dealt with by the Executive Committee in such a manner as it shall think fit.

14.8 Permission for the transfer of any player must be obtained from the club holding the player's registration on the authorised forms, such transfer to be valid when the club requesting the transfer receives the certification of the transfer. The club holding the player's registration within 48 hours of receipt of application for such transfer must complete all transfer forms. The appropriate fee shall be payable to the League and must accompany the transfer request.  
**Football Association of Wales Form J4 must be used at all times when transferring players from all other Leagues.**

14.9 All Clubs must note FAW Rule, Item H, on contracts and transfers.

14.9.1 A player who does not hold a written contract with his club shall not be approached, except during the period of 'Close Season' by any Club or person attempting to induce such player to play for another club or clubs without at least SEVEN (7) days notice in writing to the Secretary of the Club for which the player was last known to have played and the negotiations with the player must cease at the expiration of FOURTEEN (14) days from the day of such notice being given. A copy of any notification shall also be sent to the Leagues' Hon Registration Secretary of its actions in writing. The notice must be forwarded by recorded delivery, registered post or a written acknowledgment otherwise obtained. A second notice shall not be given by the same club in respect of the same player during the same football season.

(iii) whether registered for a club that is a member of a League playing at National Level or a League playing at Recreational Level, a player may be registered for a maximum of THREE (3) clubs during the period 1st June to 31st May of the following year and during such period the Player will only be eligible to play for TWO (2) clubs PROVIDED THAT if a player registers for a second club pursuant to the exceptions permitted in League Rules 14.6.2 (i) or 14.6.2 (ii). In either case, such second registration shall not count towards the total THREE (3) registered clubs and playing for such second club shall not count towards the total of playing for TWO (2) clubs.

#### 14.6.3 Types of Registration Forms applicable are;

- J1 - Contract Registration for FAW.
- J2 - Transfer of registration of a non-contract player between clubs in different Leagues.
- J3 - Non-Contract player registration form.
- J4 - Transfer of registration of a player between clubs in the same League.
- J5 - Contract Registration for the League

The J2 Form is compulsory for all Leagues within Wales.

14.6.4 There shall be no requirement for a cancellation of a player's registration during the registration period as in future a player must only be transferred to a new club at all times. The registration and transfer of non-contract players will be on forms supplied by the League at a cost of £1.00 per form, the registration of all players will be valid for ONE season only.

14.6.5 A bona-fide player of a club is one who has signed the appropriate League Registration form and who has been registered and approved by the Leagues' Hon Registration Secretary before 5:00pm on the day immediately preceding the game. Facsimile registrations are permitted in order to comply with the 5:00pm deadline; however, the actual registration/transfer form must then be submitted by the first available post.

It is the responsibility of each club at all times to ensure that players have been properly registered with the Hon Registration Secretary prior to playing in any arranged fixture subject to the Leagues' Rules.

The Executive Committee has the power to refuse and cancel the registration of any player found guilty of undesirable conduct and to disqualify the player in question from participating in any or all games in the League. If such action is taken, then the FAW/Area Association must be notified.

**No emergency registration endorsed by the Referee prior to a game will be permitted.**
